STAT

Area of Coverage: China - Kwangtung Province; Canton

Subjects Covered: Labor unions; labor-capital relations; Five Antis Movement.

Scholarship Evaluation: Written for workers' training classes

Review: Brochure written during the Five Antis movement for the purpose of  
 redefining the relations between labor and capital. Points out  
 that the Five Antis Movement is to destroy the bourgeoisie, but only  
 the "five poisons" in their system. Stresses the principles of  
 equality and mutual benefit as the basis for labor-capital relations.

Reflects the somewhat moderate attitude toward the bourgeoisie as  
 compared with earlier slogans about eliminating this group.
